

Would YOU like to become a Sibbo agent?

If you enjoy our books and would like to sell the Sibbo Series then please read further...

Price of a Sibbo book is R49.99 each.

You buy 100 books (minimum quantity to qualify for discount) - can be the same title or a mixture of all the titles. There are 13 titles in the series at the moment.

100 x R49.99 = R4999.00

However, if you buy 100 books you get a 30% discount.

Which brings the price down to **R3499.30** for 100 books.

Which you could then sell for the recommended price of R49.99 - thereby making R1499.70 profit.

Simple - isn't?
